

Lawrence Cleaning Solutions Update

Staff Update: Farewell Carole and a New Beginning for Liz

It is with mixed emotions that we announce the retirement of our beloved Contract Manager, Carole Lowe, after an impressive 12-years with Lawrence Cleaning.

Throughout her time with us, Carole became a well-known and cherished figure, both within our staff community and among our clients. Her dedication and professionalism have made a lasting impact on all who had the pleasure of working with her.

Carole's decision to retire was not made lightly, as she consistently postponed this phase of her life to continue contributing to our team's success. However, the call of spending quality time with her grandchildren has finally won her over. Incredibly though Carole has even offered to still help out if needed - amazing!

Taking up the mantle as our new Contract Manager is Liz Parker, who is already finding her feet and visiting Carole's sites to introduce herself. Liz brings a wealth of experience and enthusiasm to her role, and we are confident that she will continue Carole's legacy of excellence.

Please join us in wishing Liz good luck as she steps into her new role. We know that you will provide her with the support and encouragement needed to be successful.

A couple of reminders

Remembering Alison "Lal"

It is with great sorrow that we inform you of the passing of our beloved colleague, Alison, known affectionately to many of us as Lal. She passed away on August 16th after a short but fierce battle with an aggressive form of bowel and liver cancer.

Lal was more than just a coworker, she was family. Having been with us for nine years, she dedicated herself to completing payroll and administration duties diligently.

Her philosophy towards work was evident in her words, "I'd rather be here," a sentiment she upheld until just three weeks before her passing to ensure we were all paid correctly.

Deb Lawrence beautifully captured all our feelings when she said, "Obviously, it has been difficult seeing her empty desk. She is missed for the vibrant and kind person she was—always understanding and kind."

Lal touched the lives of so many of us, not just through her professionalism but through her warmth and kindness. Her absence is profoundly felt within our community.

She leaves behind her partner of 31 years, Dave, and their two boys, Callum and Matthew. Our hearts go out to them during this incredibly difficult time.
